ABOUT THE RIVERBEND

Highlights of the ranch-style Riverbend plan include an expansive great room, a dining nook and a gourmet kitchen boasting a center island and a walk-in pantry. The elegant primary suite offers two large walk-in closets, as well as a deluxe bath with dual vanities. This home will be built with either two secondary bedrooms or a guest suite with a living area. A relaxing covered patio and a quiet study round out the plan. The Riverbend may also include a finished basement with up to two additional bedrooms, a flex room, a rec room and a full bath. You'll appreciate the designer-selected finishes!
