ABOUT THE PEARL

The elegant Pearl plan offers two stories of thoughtfully designed living space. An inspired kitchen provides a panoramic view of the main floor, overlooking an open dining room and a generous great room. This home will be built with either a study and powder room or an extra bedroom and full bath on the main floor. Upstairs, you'll find two secondary bedrooms, a shared bath, a convenient laundry and either a loft or an additional bedroom. A lavish primary suite showcasing a spacious walk-in closet and a private bath completes the home. Select homesites may also include a tranquil covered patio. You'll love the professionally curated finishes!
